

Alternative Energy Strategy

*Alternative fuel sources are crucial to our nation's environmental safety and energy independence. And **UCCPlus** is more important than ever to support economic growth and development of alternative energy sources such as wind, solar, nuclear and natural gas.*

*With experienced commercial underwriters specializing in large, complex alternative energy projects, **UCCPlus** provides broad protections to lenders and investors by insuring Article 8 and Article 9 collateral for attachment, perfection and priority.*

*As project developers and plant operators, you can enhance your loan package by providing **UCCPlus Project Insurance Protection** to your lenders and investors.*

*Call now to learn about this new program in which **UCCPlus** represents a component of stronger loan package and provides an opportunity for potentially lower origination costs and interest rates.*

UCCPlus is your Alternative Energy Strategy.
